

Company History

Founded in 2005, Shine has grown to become a premier diamond appraisal company, renowned for its expertise and commitment to excellence. Initially established as a small family business in New York City by John Doe, a diamond expert with over 30 years of industry experience, Shine has expanded significantly over the years. John's passion for diamonds and his vision to provide accurate, reliable appraisals set the foundation for the company's success.

At Shine, we pride ourselves on our team of highly qualified diamond appraisers who hold advanced certifications from leading gemological institutes, including the Gemological Institute of America (GIA) and the International Gemological Institute (IGI). Our experts undergo rigorous training and continuous education to stay abreast of the latest advancements and trends in the diamond industry.

Our Vision for the Future

Looking ahead, Shine aims to continue leading the diamond appraisal industry by embracing innovation and expanding our global reach. We are committed to maintaining the highest standards of integrity and expertise, ensuring our clients receive the best possible service.
